

East Mooresville Intermediate School
1711 Landis Highway
Mooresville, NC 28115

Dear Parents,

Welcome to the East Mooresville Intermediate School Report Card. This report card includes valuable information about our school. Using this you can learn about our student performance, class size and attendance. In addition to looking at our school specific information you can also view our district information as well as state data.

At East Mooresville Intermediate School we focus on providing blended learning using a variety of instructional best practices. We strive to provide students with rigorous instruction and encourage them to take ownership of their learning. At East Mooresville Intermediate School our goal is to maintain an active learning environment where all students are engaged and challenged.

In order to have a successful school culture, it is important that we build close relationships with students, parents and community members. To maintain this culture, we encourage frequent communication between parents and teachers.

Please review our report card carefully. If you have any questions, please contact me. Thank you for your support in your child's education and support for our school.

Sincerely,
Mrs. Meghan McGrath
Principal -East Mooresville Intermediate School
