Dear Parents,

Welcome to the Mooresville Middle School Report Card. This report card includes important information about our school, student performance, class size and attendance. Report data is also available for Mooresville Graded School District as well as North Carolina's educational system.

Every child, every day is our motto in MGSD as well as at Mooresville Middle School. The MMS staff believes that all students can and will learn; therefore, high expectations for every student have been established. We provide opportunities for students to be active participants in their learning environment and provide the support and challenges students need to motivate them to achieve to their full potential.

The involvement of parents and the community are very important to the success of our students. As parents, you are encouraged to continue to play an active role in your child's education by supporting your child's teachers and maintaining an open line of communication between home and school.

I encourage you to review our report card carefully. If you have any questions, please contact me. Thank you for supporting our efforts to provide your child with a high-quality educational experience.

A handwritten signature in black ink, appearing to read 'Jason Gardner', written in a cursive style.

Sincerely,
Dr. Jason Gardner
Principal - Mooresville Middle School
