Dear Parents and Community Members:

At Park View Elementary School, our vision is to be a state and nationally recognized school by demonstrating success for all students. We provide a safe, collaborative environment built on the pillars of respect, trust and academic excellence in a positive and caring atmosphere. Our staff firmly believes that we must continually prepare ALL students to become future-ready in the 21st Century. As a community of learners, we are committed to Every Child, Every Day through the development of critical thinking, communication skills, positive attitudes and respect for self and others.

In 2014-2015, North Carolina teachers and students entered the school year with an established baseline using new North Carolina Standard Course of Study standards. As a result, Park View Staff and Students responded with an overall composite score of 81% proficiency. Our Reading scores were at 82% proficiency while our Math scores were at 80%. These are exceptional scores and rank among the highest in the state. Park View joined with the other two elementary schools within the Mooresville Graded School District to produce one of the highest composite scores in the State of North Carolina for third grade students. Composite scores were:

Rocky River=84% ⇨ South=79% ⇨ **Park View=81%**.

We are proud to know that we are truly making a positive difference in the lives of children!

Although we are pleased with our results, our school is fully committed to *CONTINUOUS* improvement in all we do. Consequently, it is paramount that we continue working toward helping all of our students to reach their potential. We believe that parents and community members are essential partners in ensuring academic success for our students. Therefore, we are pleased to provide you with a report card that outlines the facts about our wonderful school. We further believe that information and understanding are essential as we provide a successful and nurturing academic environment for all.

We look forward to working with the community to achieve our shared goals of assisting the students to achieve their highest potential in a setting that is respectful, motivating, and challenging. We strive to live up to Mooresville Graded School District's motto of **“Every Child, Every Day.”**

Sincerely,

Dennis Hobbs
