

2017 Field Trip Information Sheet

Based on the following Health and Sanitation Rule - a Field Trip may be canceled and not rescheduled due to the **Air Quality Forecast** for the day of the trip because we must travel on activity buses to get to our destination.

15A NCAC 18A .2832 OUTDOOR LEARNING ENVIRONMENT AND PREMISES

(D) If a daily **AIR QUALITY FORECAST** is made by the Division of Air Quality of the regional air quality agency for the county *where a center is located*, outdoor activity for children shall be restricted as follows: On days with a code **ORANGE**(unhealthy for sensitive groups) forecast , children shall not be outside participation in physical activity between noon and 8:00 pm for more than one hour. On days with a code **RED**(unhealthy) forecast, children shall not be outside participating in physical activity between noon and 8:00 pm for more than 15 minutes. On days with a **PURPLE** (very unhealthy) forecast, children shall not be outside participating in physical activity between noon and 8:00 pm. Provisions shall be made to allow children with diagnosed asthma or with coughing or wheezing symptoms to participate in physical activity indoors on days with a code ORANGE, RED OR PURPLE air quality forecast.
