Dear Parents,

Thank you for choosing the Mooresville Graded School District's Before & After School Program for your child care arrangements. The staff and I are looking forward to having your child with us this year. We have a lot of fun activities planned to keep the children active and engaged this year.

As Rocky River Elementary prepares to open we want to inform you of how Before & After School care will operate for this school. We will not have a child care facility on the campus of Rocky River Elementary School, instead we will transport these children to Mooresville Intermediate School. Due to the current state of the economy this is the most economical way for us to offer care for both schools considering their proximity to each other.

Mooresville Intermediate School BASP (MIS BASP) will operate as a K-6 site. The children will be placed in age appropriate groups (K-1, 2-3, 4-6) as numbers dictate and a rotation schedule will be used to limit interaction of the children (younger with older) as they participate in activities. There will be limited times when numbers may dictate that groups are combined such as first thing in the morning and last thing in the afternoons (6:30-7:15ish and 5:30-6:00).

Children at Rocky River will be transported by the MGSD transportation department each day. BASP Staff will accompany the children on the bus to Rocky River in the mornings and back to MIS in the evenings. At the beginning of the year BASP Staff will escort the Rocky River children to class and pick them up from class each day. Once we have worked out all the details of our routine and the children are comfortable with their schedule and surroundings then we will discuss any adjustments that may need to be made to our arrangements with the principal.

Please be aware that if your child will participate in the Before School program, that they will need to be on the MIS campus no later than 7:45 each morning in order to board the bus. Please note that if your child will be absent from their normal plan of care it would be very helpful if you would let us know so that we can get an accurate head count before departing each school each day.

If you have any questions or concerns please feel free to contact me. The staff and I want to thank you for sharing your child with us this year and we look forward to working with you.

Sincerely yours,

Cindy Karkiker
