The status of any day in the school calendar can be changed at any time during the school year if days are missed due to inclement weather. All days (except Sundays) between August and June, no matter how they are designated on the calendar (holidays, workdays, Saturdays, etc.), may become make-up school days or teacher workdays. The make-up schedule will be announced as soon as possible after an inclement weather event. If a Saturday is used as a make-up day, it shall occur as soon as possible following the missed instructional day.
